

Membership Subscriptions - 2017

As this year closes, it is time to RENEW YOUR SUBSCRIPTION. The subscription runs from January to December each year. For this coming year, your new membership card will show valid membership from JAN - DEC 2017. It will be of great help to me, as well as the Association, if, when you send in your cheque (or money order) along with the completed form (overleaf), that you include a **stamped addressed envelope** so I can send you your membership card, by return of post, where possible.

Cheques should be made payable to "THE NATIONAL 2½" GAUGE ASSOCIATION".

If you prefer, subscriptions can be renewed on-line - see our website www.n25ga.org

Alternatively, payment by STANDING ORDER or BACS can be arranged. **NOTE NEW WEB SITE ADDRESS.**

If you don't wish to renew, then do PLEASE write/phone/email me.

Finally, may we wish you all good health, good model engineering and happiness for the future.

This is the same/changed from last year	please delete as appropriate

I enclose a S.A.E. & membership fee (Jan-Dec 2017) of £17-00 (or £11-00 for juniors) - **plus** £7-50 for (non-UK) EEC members or £12-00 for rest of the world members to cover the cost of air-mail postage. Payment should be by cheque (sterling) or International Money Order.

NB : For **overseas members only**, because of the ever increasing high cost of mailing, we can offer a 'digital' subscription - for £13-60 (adult) or £8-40 (juniors). A webpage link will be emailed from which the latest copies of our Steam Chest journal can be downloaded in PDF format.
